HAWKEYE DOWNS FAIRGROUNDS

SATURDAY, SEPT. 16, 1967 - CEDAR RAPIDS, IOWA

Show: 8:30 A. M.

60 Shorthorn Club Steers sell at 11:30 A. M. Sharp - Central DST
30 BULLS. 23 Shorthorn and 7 Polled Shorthorn. 11 head are ready for heavy service and the balance for limited service. Study the breeding and be on hand to select your next herd sire from this fine offering possessing: Breeding, Individuality, Scale and Quality.

76 FEMALES. 55 Shorthorn and 20 Polled Shorthorn including 17 1967 heifer calves. They are richly bred and of foundation quality. 16 cows with calves and mostly rebred, 25 other bred females, 18 head of 1966 heifers, some of which are bred and 17 head of 1967 Club heifers for 1968. Please note the service sires to which these females are bred.

Both branches of the breed will be shown and sold together.

HAWKEYE DOWNS sales have been unique in many ways; no formal organization, no dues, no officers, no premium money - just ribbons.

The first Hawkeye Downs sale was April 22nd, 1946. Thru the first forty-nine sales 233 consignors have sold 1197 bulls and 1705 females totalling \$868,885. Also 459 steer calves for \$74,945 or a grand total of \$943,850. Averages have been as high as \$473.10 in 1951. After this sale the total will be a little short of \$1,000,000. We have 6 new consignors in this sale.

At a meeting called on April 1, 1967 by the sale manager of all these sales the breeders were advised of his retirement after this coming sale. They voted to organize the HAWKEYE DOWNS SHORTHORN-POLLED SHORTHORN CLUB, INC., and elected Allan A. Johnson of Vinton, Iowa as Secretary and Sale Manager starting with the 1968 sales. He has had experience with purebred beef cattle and hog sales. I believe that he will develop into a good manager with these sales. He is assisting me this fall and I will assist him in 1968 so as to have an orderly transition. I hope that the breeders and the public will accord him the same support that I have enjoyed.

EARL S. GIRTON, Sale Manager

DINNER MEETING: We have enjoyed our informal dinner meetings at the OX YOKE INN located in the world famous village of Amana, Iowa, which is 16 miles southwest on Hwy. 149 from the junction of Hwys. 30, 218, 149 and 64 at the southwest corner of Cedar Rapids. Accordingly we have arranged for an ala carte dinner in the Woodshed Dining Room in the above Inn at 6:30 the evening before the sale. The consignors and sale manager will make an effort to get people interested in going to the INN together, become better acquainted and use fewer cars for the trip. See us for arrangements.

The 1967 Hawkeye Downs Area Picnic will be held at the Louis Dempster Farms, 3 1/2 miles northeast of Arlington, Iowa on September 10th. All livestock people are invited.

ATTENDANCE PRIZE: \$25 in cash will be given away immediately after the sale. Be sure to get your name and address upon only one card for the drawing.

EARL S. GIRTON, Sale Manager

Livestock Insurance may be obtained in the American Livestock Ins. Co. Harding and Harding - through the sale manager, Earl S. Girtton.

PLEASE BRING THIS CATALOG TO THE SALE WITH YOU.

Gracing the front cover: Beaufort Bulldozer, sire of two International Grand Champions and Alauna Lord Collyne x, sire of two Polled Shorthorn Congress Grand Champions. Both sexes represented in both cases.

Catalog Lithographed By MWM Color Press, Inc., Aurora, Mo.

General Information

TIME: Saturday, September 16, 1967. Show at 8:30 A.M., Sale at 11:30 A.M., Central DST.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. On paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense, but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. Auctioneers: J. E. Halsey, Des Moines. Tom Sherlock sells steer calves.
10. Spécial Representatives: Gene McDonald of the Shorthorn World; Tom Sherlock, Wallaces Farmer; Roy Wagener, Bellevue; Ted Aegerter, American Shorthorn Association; and Wayne Farnum, Victor, Iowa.
11. Settling Clerk: Keith Noll, Vice-President, Peoples Bank and Trust Company, Cedar Rapids, Iowa. Recording Clerk: Lewis L. Howard, Cedar Rapids.
12. Veterinarian: Dr. A. F. Allison, Marshalltown, Iowa.
13. Sale Manager: Earl S. Girtton, Box 732, Marshalltown, Iowa. Phone: 753-3693. Allan A. Johnson, Ass't. Sale Manager, Vinton, Iowa. Wayne Farnum will handle the health charts.
14. The sale manager or others may be reached by phone listed as Hawkeye Downs, 6th St., No. Empire 3-4341.

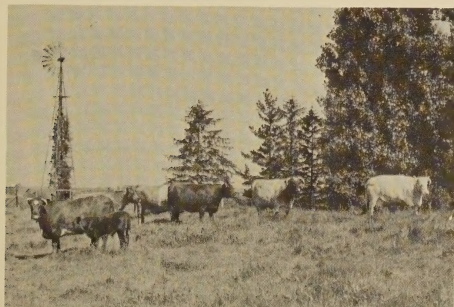

**This is where we will dine the evening before
The GOLDEN JUBILEE SALE.**

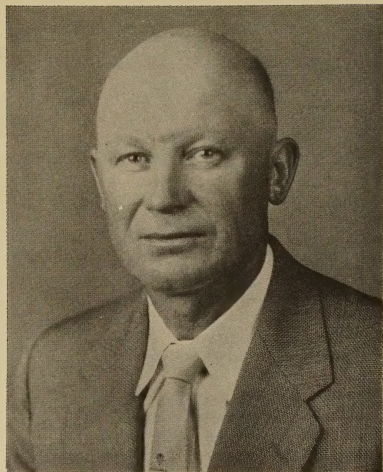

SHORTHORNS & POLLED SHORTHORNS

A BEEF HERITAGE LIKE NO OTHER

Shorthorns have been part of the American scene almost from its beginning. Approaching two centuries ago—in 1783—the first cargo of Shorthorns landed in Virginia, heralding arrival of this country's first registered beef cattle. The big reds, whites and roans originated in Northern England, around 1600, before taking firm hold in Scotland. They were popular in America from the beginning. Then commonly called "Durhams", early settlers recognized their value for both meat and milk and found them rugged and willing as power for wagon and plow. By 1854 Midwestern farmers had begun direct importations from Scotland, concentrating their efforts on Shorthorns for beef! The breed followed pioneer wagons across the Great Plains and into the Far West, initiating the first beef improvement on longhorn cattle. As early as 1846 the first American Herd Book was published and in 1882 the American Shorthorn Breeders Association was formed. Shorthorns came first, then in 1870 Midwesterners discovered "naturally hornless" cattle occurred from time to time in horned herds. They carried a dominant characteristic, producing hornless calves when bred with either horned or polled cattle. So was discovered the first **POLLED SHORTHORNS**. A proud beginning and continuing history. A beef heritage like no other!

Roy E. Coverdale, Maquoketa, Iowa has been breeding Shorthorns continuously since 1906, and is possibly the oldest continuous breeder in Hawkeye Downs Area. He still has the good, big cows with plenty of scale.

Walter H. Larson, Hi-Way Farms, Carrington, No. Dakota will judge the Golden Jubilee Show. He has been breeding Polled Shorthorns a quarter of a century. He has a large herd and one of the best in the Central Northwest. He actively promotes Polled Shorthorns and Shorthorns since he is Secretary of both No. Dakota Polled Shorthorn Assn. and the North Dakota Shorthorn Assn. and manages their sales.

Mr. Larson has been a Director of the American Polled Shorthorn Society many years and has been President of same. He has bred and sold cattle in the National Polled Shorthorn Congress sales and his cattle have gone into many states and Canada. A few years ago he was honored as "A Builder of the Breed" in the Shorthorn World and also given special recognition by the North Dakota Livestock Association.

THE SHOW: 8:30 A. M. - SEPTEMBER 16, 1967

BULLS

VOLGA VALE KNIGHT 5TH - is a nice roan color out of a Lavender dam by the Mother's bull we got at the Illinois State Sale where he was Champion and top bull. He is proving our best breeding bull.

GLASTULLICH COCK ROBIN, a Denver and Fort Worth Grand Champion. One of the leading sires in the late Northwood Herd and later in the Fernwood herd. A great breeding bull and glad to offer his blood in the Hawkeye Downs Sale for the first time. Sire of Lot 9.

LARRY REAP

MALE

WILLOW CREST COCK ROBIN 3274-714 L-W01

9

Red, calved January 7, 1966. Bred by Fernwood Farm, Barrington, Illinois. Owned by Larry Reap, Polo, Illinois.

(17464)

WILLOW CREST COCK ROBIN - By the Denver and Fort Worth Champion, Glastullich Cock Robin. Hickories Augusta Brae 52d is probably one of the best cows in the herd. Cock Robin's maternal brother was the third highest selling Shorthorn bull in the spring Hawkeye Downs Sale of 1967 and he stood next to the Grand Champion Bull in class. I showed Cock Robin last summer and he stood first in his class all but once and that was second. There won't be many more chances to get a son of Glastullich Cock Robin.

J L ELITE - The Jr. Yearling from our show herd. Sired by Shore Acres Elite, our \$1500 Son of Philorth Expression. The dam by Ringwell Lodestar, an International Grand Champion. Here is a good bull with plenty of size, bone and thickness.

REMITALL AUGUSTA KING offers new blood in this area since he is sired by the renowned Kelburn Great Event used in the Remittal herd for many years. Noted for scale and quality. Sire of Lot 11.

11

S V CAESAR 64TH - Here is a good headed growthy bull out of a formation dam that should develop into a real herd sire.

ALLWOOD PIONEER is Senior Sire in the Urice Bros. herd. His sire was International Reserve Champion Bull and his mother was Grand Champion Female at the same International thus making him a double grandson to Bapton Constructor. His sons have been near the top in the Iowa State and Aksarben Sales as well as topping the March, 1967 Hawkeye Downs Sale at \$950. for the Grand Champion. Lot 13 is a son selling.

K A KETTLEDUM - A dark red, very strong, masculine son of Allwood Pioneer. This bull has the extra length so much in demand today. The sons of Pioneer sold last winter and spring were very popular. The \$950 top bull of the spring Hawkeye Downs Sale was by Pioneer as well as the second high bull selling at \$800. We've had strong private demand for the Pioneer bulls this summer. Kettledrum has been dehorned.

GLOSTER K 12TH - A favorite by Wheatland Adjuster 9th. We have 3 daughters in the herd. She sells with a roan bull calf at foot by the \$3150. Lewisfield Rival. Calved May 15. No doubt the top heifer of our '66 crop was out of this cow. Her '65 heifer has the best '67 bull calf on the farm. Will sell in just working condition.

LEWISFIELD RIVAL is the young bull that Kadel Urice selected as junior herd bull in the Lewisfield sale for \$3150. He is a son of Shirgarton Ranger, a bull that was Grand Champion at the American Royal a few years ago and who sired an International Grand Champion bull and a reserve grand champion female. Harris Simons reports in the Shorthorn World: "Rival is undoubtedly one of the thickest bulls ever presented. Even more important he is probably the trimmest bull we have ever seen, even in good rig. Smooth as an apple, no excess fat". Lots 24 and 31 sells with calves at foot by him and likely rebred. Lots 25 and 40 carry his service. His calves on the farm are showing up very fine.

URICE BROS.

FEMALE

NONPAREIL K 20TH 2896-735 R-A22

Shorthorn cattle are in the business of converting grain and roughage into beef. Very successful they are in that business, too. With high rates of feeding efficiency they develop into choice market animals, satisfying the packer's demand and the consumer's appetite.

THOMAS MAX 9V - was purchased by us at the 1966 Canadian International in Brandon, Manitoba, Canada for \$1375. His sire is the International Grand Champion, TPS Max Coronet 92nd. His dam is a granddaughter of Calrossie White Emblem and Killearn Max Peerless. No Polled Shorthorn bull has a better pedigree. He is a sure breeder. We have one crop of calves by and more cows bred to him. Our planned program limits his service here. You can drive along way to buy this fellow at your own price.
Note by sale manager: We wish to give Lawrence Bolson some special recognition as he purchased six females in our initial sale on April 22nd, 1946 and this is the thirty first sale where he has been a consignor-more times than any other breeder.

Here are seven young bulls by Kinross Prefect being lot raised on the Beecher Farm. Note the uniformity of size, the burliness and coats of hair and their apparent good appetites. The third and fifth bulls sell in this sale. They are Lots 81 and 82.

LOYD G. BEECHER

MALE

LO REX KINROSS PREFECT 2ND x3265-462 L-300 R-300

81

P V PLAYMATE - is one of the best prospects for a good herd bull to leave the farm. His dam is a daughter of Perfect Nugget. We are using him on our older cows this summer, and selling him as we have so many copyright heifers.

CAMSON MAIN CHANCE - He won 2nd as a Summer Yearling at the 1963 International where his sire, Dandy of Westdrums, was the Grand Champion. Main Chance was also in 1st prize Junior Get. His sire sold for \$18,000. in the Grant Campbell dispersion. Main Chance has been a 100% dehorner. Sire of Lot 83, a son and Lot 106 a daughter, and service sire of Lots 92 and 95.

A-LAUN-A ROSEWOOD 12TH - I think it is only fitting that we sell a female of Girtton's breeding in his final Hawkeye Downs Sale. She was purchased in his Dispersion Sale. She was purchased as a foundation female. Her sire was 2nd prize at the International while his sire was Grand Champion at the same show. Her dam is by Alauna Lord Collynie who sired Polled Congress Grand Champions of both sexes. She sells with a roan heifer calf, May 1, 1967 by Lynnwood Jupiter by Lynnwood Lancer - should be rebred by sale time to Jupiter or Circle S President by Camson Main Chance. We have many descendants in our herd.

GOLDEN CHAIN 9TH - Solid red daughter of Camson Main Chance x, out of a daughter of Lynnwood Classic. This Golden Chain family was one of the best to leave Fred Johnson's herd. C. F. Collynie 11th, was a grandson of Alauna Collynie, bred by Girton and Fennern, and was top selling bull at \$2500 in the Lincoln, Nebraska Polled Congress a number of years ago. Foundation breeding herd. Vaccinated for Bangs.

An Invitation To The Youth In Hawkeye Downs Area

In each of our Hawkeye Downs sales we plan to have some consignments of the proper age that may be used for 4-H and FFA Club work. In this sale please note the purebred heifers, lots 63 to 79 inclusive, were calved in 1967. It is likely that some heifer calves may be sold off their dams. We are also offering 60 SHORTHORN STEER CALVES.

Most of these calves are offered by the breeders consigning breeding cattle to this sale.

This is a larger offering of calves than we have had in the past. This increase comes largely by breeders who have consigned the top calves in former sales. This should make for a finer selection than in the past.

**REMEMBER, the Club steer sale starts at
11:30 a. m. sharp (Central Daylight Savings Time).**

FOR YOUNG PEOPLE, Shorthorn and Polled Shorthorn cattle and Shorthorn and Polled Shorthorn breeders prove great partners. The breed is easy to handle and quick to respond to the kind of care and affection most young folks lavish on their animals. Reds, whites and roans never fail to attract widespread attention in the show ring, time and again garnering championship purples and other high places - in both live and carcass competition. Shorthorn and Polled Shorthorn people are widely known for their warmth and understanding, quickly taking young folks under their wings, assisting them in every imaginable way.

Shorthorn Tops 700 Entries

Dwight Will, Atlantic, Iowa had to first show his steer over 167 other Shorthorns to win the Shorthorn Championship at the 1966 Iowa State Fair. Then his steer won the Grand Championship over the best of the other breeds. Wasn't it an ACCOMPLISHMENT to win over a total of 700 Club Steers at the GOLDEN ANNIVERSARY of the 4-H Club Show at the Iowa State Fair.

Champion Shorthorn Steer in both the Junior and Open Show at 1966 International was shown by Benny Powell, Ryan, Iowa in Hawkeye Downs Area.

Cross Breeding Possibilities

January 19, 1966

Dear Mr. Girton:

This is in reply to yours of January 12. This will constitute permission to quote me directly as follows:

"There is a potential for producing 20% more beef with little or no increase in numbers of cattle in Iowa through the use of crossbreeding. This increase through heterosis or crossbred vigor is due to increased fertility, increased survival rates, and increased weights of calves resulting from crossbreeding and a planned breeding program.

"Do not crossbreed to cover up poor management. Do not crossbreed unless you are going to use performance bred bulls and evaluate your program through performance testing. Crossbreeding for the sake of crossbreeding in a systematic and evaluated manner can be most useful."

Very best wishes with the sale.

Sincerely yours,

Robert C. deBaca

Robert C. deBaca
Extension Livestock Specialist
(Animal Breeding)
Department of Animal Science
Iowa State University

Some of the advantages of crossbreeding GOOD purebred bulls of one beef breed on GOOD cows of another: increased vigor, growth, gaining and "doing" ability, etc. In recent tests at Texas A & M first cross calves from such a system showed 6 per cent higher weaning weights than either parent; and this increased to 18 per cent when the dam is a first cross cow bred to a bull of a third breed. The same trend is evident in similar tests elsewhere and using various beef breeds. On the other hand if first cross cows are bred back to a bull of the same breed as either her sire or her dam, a great deal of the vigor is lost.

Recent Nebraska tests show improved conception, increased livability, and consequently, high per cent calf crops are achieved in crossbreeding with all British breed animals.

WHY NOT START USING THE SHORTHORN AND POLLED SHORTHORN INFLUENCE IN YOUR BEEF PRODUCTION NOW?

The Shorthorn Influence In Crossbreeding

Brockle Face Calves - Shorthorn x Hereford

**HERE'S WHAT A SHORTHORN OR POLLED
SHORTHORN BULL CAN DO FOR YOU
COMMERCIAL CATTLEMEN!**

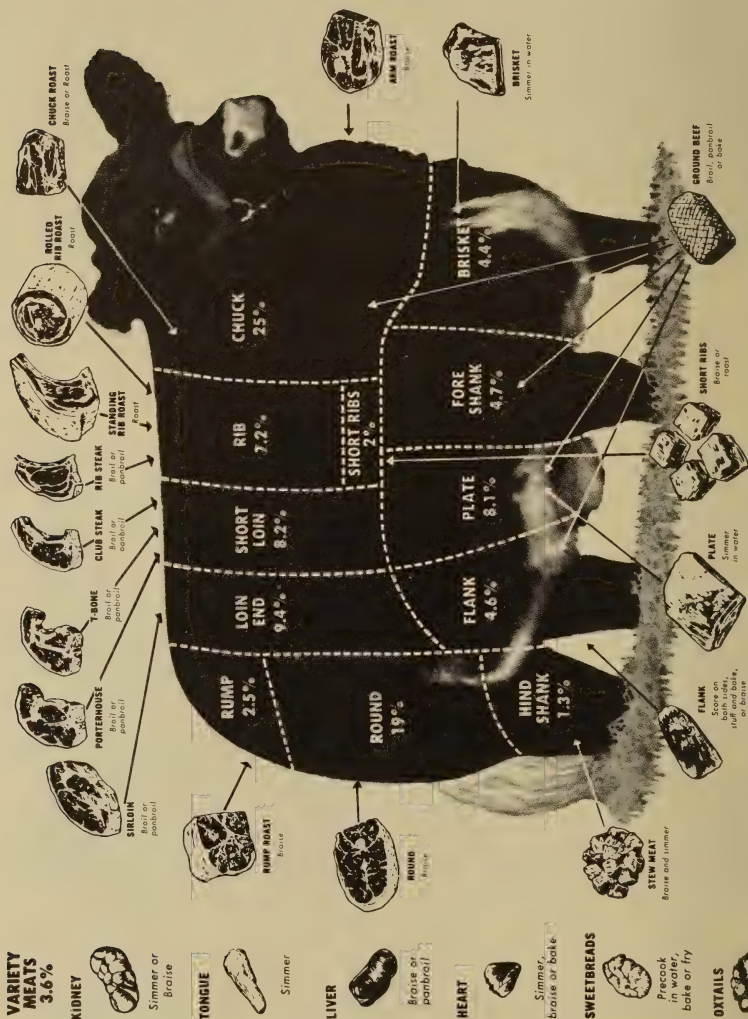

Above: A family portrait. Mama is one-half Shorthorn and one-half Holstein. Dad is a white-toned Polled Shorthorn bull. Note the depth, thickness and beef type of the calf.

We have bulls in this sale that are ideal for crossing on black or whiteface cows and dairy cows as well as for upgrading Polled Shorthorn and Shorthorn herds.

REMEMBER! Reds, Whites and Roans are the great improvers.

SHORTHORNS, POLLED SHORTHORNS OR THEIR CROSSES WILL PRODUCE THE QUALITY OF MEAT THAT SATISFIES.

Below: a roan steer displaying the various cuts of meat

A 1,000 pound steer yields 465 pounds of retail cuts. Approximately 75 pounds are steaks excellent for broiling. Figures derived from 602 cattle grading U.S. Choice—Chicago

There is a cut of BEEF for every budget.

There is a cut of BEEF for every budget. NATIONAL BEEF COUNCIL, Denver, Colorado

A 1,000 pound steer yields 465 pounds of retail cuts. NATIONAL BEEF COUNCIL, Denver, Colorado

Shorthorns: International Grand Champions over All Breeds.

WHITE TORNADO - A Polled Shorthorn Steer that was Champion Junior and Open Shorthorn classes at the 1964 International. He was also Reserve Grand Champion of the entire steer show. Sired by Lynnwood Nobleman x. Fitted and shown by Sue Holder, Otterbein, Indiana. Sue at the halter.

An International champion sired by a Polled Shorthorn bull and from a white face cow. Will cross breeds the animals show in the classes of their sires.
